Jim Reiser, Jim is also known as “The Swim Professor,” is the founder of Swim Lessons University. After spending 12 years as the professor of aquatics at the University of South Carolina and leading his USA-S competitive team, Team Carolina, to back-to-back state championships, Reiser has turned all his attention back to his original passion--making children safer in and around the water. Today, Professor Reiser is busy developing Swim Lessons University and running his franchise-prototype swim school in Columbia, SC--The Swim Lessons Company. Professor Reiser also is a frequent guest speaker at national swim school conferences, as well as an active volunteer with Midlands Safe Kids in Columbia, SC.

Steve Fenning, Steve is currently coaching with SwimFast in Sunrise, FL. He is also owner of the SwimAmerica program in Vero Beach, FL. Steve has been coaching and teaching swimming for over 36 years.

Steve Haufler, Steve is the Head Coach of the Orinda Country Club/Head Coach-Orinda Aquatics Masters/Assistant Coach-Orinda Aquatics. In his 30 years of coaching, Steve has enjoyed success at the summer recreational, masters and USA swimming levels. As the head Coach (1981-1995) of the Montclair Swim Team in Oakland, CA, Steve developed numerous National Age-Group top 16 swimmers, as well as Junior National qualifiers and a Junior National Champion in 1995. Most recently (1999-2007), as the Head Coach of the Orinda Country Club, Steve has increased team membership from 140-300, won 6 straight league championships and developed many age-group swimmers now competing for Orinda Aquatics, where he serves as a Fall Assistant and Masters coach. Steve specializes in teaching proper competitive swimming techniques in young swimmers through practices, clinics and private lessons.
